PROFESSIONAL EXPERIENCE

International Affairs Expert & Sponsorship Development Specialist *Pardis Technology Park / Iran International Innovation District*

Jun 2024 – Present
Tehran, Iran

- Support international engagement, foreign participant acquisition, international guest coordination, cross-border communication, and ecosystems-facing international programs.
- Coordinate sponsorship matters including sponsor follow-up, proposal coordination, stakeholder communication, service delivery, and fulfillment of commitments.
- Supported sponsorship operations for INOTEX 2025 (approximately IRR 200B+) and Technology Olympics 2025 (approximately IRR 250B+).
- Coordinated sponsor relations for major partners including Sadad, Post Bank, and Daneshmand Foundation.
- Supported international outreach for INOTEX 2025 (100+ international participants) and Technology Olympics 2025 (1,832 international participants).
- Provided simultaneous interpretation and professional communication support during international meetings and events.
- Organized and presented at INOTEX Showcase, an international startup pitch event.
- Delivered Business English and Executive Communication training for senior managers and leadership teams.

Founder & CEO | Educational Entrepreneur & Professional English Instructor *The Fluent International Academy*

2024 – Present
Tehran, Iran

From customized English training to real-life international project execution.

- Founded and manage a language education initiative focused on professional English, executive communication, and scalable learning programs.
- Built and led a team of 5 instructors, serving 300+ learners.
- Oversaw 2,000+ hours of instruction.
- Designed programs across General English, ESP, Technical English, Legal English, Business English, IELTS preparation, and specialized workshops.
- Supported international guest attraction and accompaniment for the AI and Programming segment of Technology Olympics with Quera/Codern.

AI Education Course Designer & Instructor *Fluent × Quera College*

2025
Online

- Designed and delivered a 3-hour online ChatGPT training course commissioned by Quera College.
- Led course design from concept to content development, production, and online delivery.
- Presented the final course package as a market-ready online AI education product.

PROFESSIONAL EXPERIENCE (CONTINUED)

Business English Instructor / Executive Communication Trainer
Pardis Technology Park / Iran International Innovation District

2024 – Present
Tehran, Iran

- Deliver advanced Commercial English and Business English training to senior executives, vice presidents, head managers, and leadership teams.
- Design customized lessons focused on business presentations, negotiations, email writing, interviews, professional meetings, and international communication.
- Incorporate industry-specific vocabulary, real business scenarios, and executive-level communication needs into training sessions.
- Conducted 1,000+ hours of executive and business English training for senior-level learners.
- Helped leadership-level participants improve confidence, accuracy, and fluency in English communication for international business environments.

Advanced English & IELTS Instructor
Shokouh Institute

2022 – 2023
Tehran / Pardis, Iran

- Taught upper-intermediate and advanced English classes at one of Iran's long-standing English language organizations.
- Delivered IELTS-focused courses for advanced learners.
- Designed classroom activities focused on speaking, writing, reading, listening, grammar, and vocabulary development.
- Supported students in improving academic English and preparing for international language assessment formats.

International Sales & Marketing
Amitis Emertat

2021 – 2022
Tehran / Noshahr, Iran

- Worked in sales and marketing for a company active in wooden accommodation and construction-related solutions.
- Supported customer communication, sales coordination, commercial follow-up, and business development activities.
- Served in the international sales function at the Noshahr branch, supporting international-facing communication and sales-related activities.

Commercial Expert
AryaTeb Firouz

2019 – 2021
Pardis Technology Park, Iran

- Worked at a knowledge-based medical technology company active in the production of fully functional dialyzer machines.
- Started in internal operational roles and later progressed into management support and commercial responsibilities.
- Worked closely with senior management as First Assistant Director, gaining experience in administrative coordination, documentation, and management support.
- Joined the commercial department and served as Commercial Expert for approximately 18 months.
- Supported import of goods and components from Switzerland and several other countries, contributing to import operations exceeding €2M.
- Coordinated commercial documentation, supplier communication, import follow-up, and procurement-related operational support.
- Translated CE-related technical, commercial, and regulatory documentation.
- Completed 70+ hours of written translation and 20+ hours of simultaneous interpretation.
